

# HEALTH INSURANCE IN CONNECTICUT

## WHO IS UNINSURED?

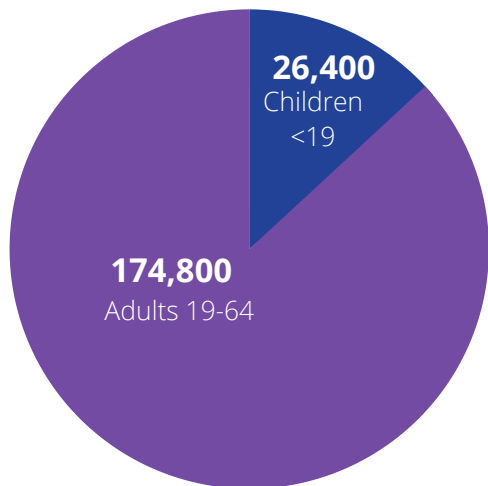

In 2019, approximately 204,500 Connecticut residents did not have health insurance. That's about 5.9% of the total population.

The following data focuses on people under age 64, since nearly all state residents 65 and older are eligible for coverage through Medicare. It is from 2019.<sup>1</sup>

### CHILDREN & ADULTS

Overall, 3.5% of CT's children are uninsured and 8.3% of nonelderly adults are uninsured.
