

COVERED CONNECTICUT

What is Covered Connecticut?

Covered Connecticut is a new state-funded program that provides no-cost health insurance, dental coverage, and non-emergency medical transportation to eligible Connecticut residents.

Covered Connecticut is offered through Access Health CT. People who are eligible enroll in Covered Connecticut by completing an application through Access Health CT and selecting a plan from Anthem or ConnectiCare.

Enrollment for Covered Connecticut is open all year. Coverage begins on the first of the month following enrollment.

Who qualifies for Covered Connecticut?

Residents who meet the income qualifications and do not qualify for HUSKY are eligible for Covered Connecticut. For a family of four, your household income must be no higher than approximately \$46,000 – but check to see the exact limit.

Visit this website for the exact income guidelines and full list of eligibility requirements:
